Ladies and Gentlemen, I have attached my price list for standard formats for the summer of 2022.

All prices include VAT.

The shipping costs for Austria and Germany are € 10 to € 30 for formats up to approx. 120 x 90 cm.

For inquiries from all other countries and larger formats I have to calculate the price.

The standard dimensions don't fit?

No problem.

I am happy to offer you your desired special format or a custom-made art work.

I can offer you many other materials on request.

Do you have your own picture idea?

I am also happy to create commissioned works.

Do you have any further questions?

Feel free to contact me by email:
info@guenterkonrad.com

or call me:

I would be very happy to receive your valued inquiry/order.
